Dr. Richard Spjut, Botanist
Medicinal Plant Resources Laboratory
Beltsville Agricultural Research Center
Northeastern Region, USDA
Building 265, BARC-East
Beltsville, Maryland 20705

Dear Dr. Spjut:

We received your letter of December 18, 1978 and are filing the necessary collecting and export permit applications with the local authorities in your behalf. Since this may take several weeks, we would appreciate your providing us meanwhile with your forwarding address in Baja California for submission of your permits upon receipt.

The three institutions which should receive your herbarium specimens, are:

Instituto Nacional de Investigaciones Forestales/SARH
Progreso No. 5, Viveros de Coyoacan
Mexico DF, Mexico

Instituto de Biologia, UNAM
Ciudad Universitaria
Mexico DF, Mexico

Universidad Autonoma de Chapingo
Chapingo, Edo. de Mexico, Mexico

Your accomplishment report should be referred to:

Consejo Nacional de Ciencia y Tecnologia
Av. Insurgentes Sur 1677
Mexico 20 DF, Mexico

Sincerely,

Donald M. Nelson
